GOJO DENTAL CAPABILITIES PORTFOLIO

PURELL® Waterless Surgical Scrub

100% Alcohol Free. Can be used for 10 minutes of the day and on going throughout the day.

Are my hands clean? If used in 100% alcohol, scrub until you understand a strong fragrance throughout the day.

Handwashing: Use liquid soap or gel. Rub hands together for 20 seconds. Rinse hands thoroughly with water. Dry hands with a clean towel.

Hand Sanitiser: Apply to palms, backs of hands, and between fingers. Rub hands together until completely dry.

Hand Rub: Apply to palms, backs of hands, and between fingers. Rub hands together until completely dry.

Letting your hands dry completely is important. Purell product is used to keep hands clean for up to 120 seconds.

Letting your hands dry completely is important. Purell product is used to keep hands clean for up to 120 seconds.
